W. E. King has been named as the new advertising manager of the Lomita News, it was announced today by Publisher Ray H. Reed.

Sits Under Tree, Takes Own Life With Shotgun

Fred W. Schwartz, 49, of Torrance, picked the Rolling Hills area, near Marymount School, to take his own life last week, deputies reported.

West Basin OKs Inglewood Bid To Join District

A petition from the city of Inglewood to be annexed to the West Basin Municipal Water District has been accepted by the district's board of directors.

A special election in Inglewood has tentatively set March 11 to approve the move.

Under the terms set forth by the West Basin district, Inglewood must raise \$58,727.72 the first year, which is the amount that would have been paid if the area had been in the district in 1948, when a special levy was made.

The Metropolitan Water District, which is also included in the petition, will require Inglewood to pay back taxes plus interest and stand the cost of a special feeder line to serve the territory.

Representatives from the Dominguez area also have sought annexation to the West Basin and Metropolitan districts. The West Basin District has indicated it will be agreeable, if acceptable terms can be worked out with the Metropolitan District.
